

WHEEL BEARING PART NUMBERS

- 193498 BEARING KIT can be used on high wheels with plastic bearings
- The 193498 KIT includes:
 - Two plastic bearings
 - One 188152 'O' ring
 - One 88348 washer
- The kit provides the parts needed to service one wheel

- Wheels with bearings have a 188152 washer and a 88348 o-ring to keep the wheels tight on the axles.
- Older mowers had wave washer 57143, the 188152 washer and 88348 o-ring are an improvement and can be used instead.
