**Trimmers/Brushcutters/Blowers/Chainsaws/Tractors/Mowers/Tillers/Snow Throwers**

This agreement becomes effective on the date signed below and may be terminated with or without cause at the option of SD or HOP by providing 30 days written notice. This Agreement is non-assignable by the SD, but may be assigned by HOPC. The SD shall:

1. Function as an independent contractor, and its agents, employees and representatives shall under no circumstances be considered employees of HOPC.
2. Perform required service on Products as directed by HOPC in accordance with HOPC's service policy, service bulletins, price lists, and discount policies as they become effective, in the SD's facilities or in cooperation with engine manufacturers' authorized service dealers.
3. Maintain a sufficient number of suitably trained personnel for the service work.
4. Maintain a sufficiently equipped facility (including recommended tools and/or manuals)
5. Use only HOPC or HOPC recommended OEM parts and maintain sufficient inventories of such parts in order to be able to service customer on a timely basis (normally within 48 hours)
6. Hold all exchanged parts for 30 days from date of filing the warranty claim form, and to ship any exchanged parts at SD's expense to HOP upon request by HOPC within this time. Hold all exchanged parts involved in personal injury matters until authorized by HOPC to dispose of them.
7. For repairs under HOPC's warranty, complete the standard warranty claim form electronically correctly and in detail in every section, using part numbers, serial numbers, lot numbers, description, list prices and include the time required to make warranty repair(s). Forms shall be submitted on a weekly basis.
8. Carefully examine each Product submitted for warranty repairs to determine if the Product is within the provisions of HOPC's written warranty and that the Product is still under a valid warranty.
